South Windsor High School

High School Diploma

South Windsor, CT

June 2025

EXPERIENCE

Band of Angels

Investment Intern

- Assessed early-stage startup submissions during deal screening, weighing team strength, market opportunity, and competitive positioning across fintech, SaaS, and AI
- Analyzed market and competitive data on prospective portfolio companies to support investment decisions by 150+ angel investors
- Briefed angel members spanning a range of sector specialties, framing market and technical detail in the context each investor needed for diligence discussions

San Francisco, CA

May 2026-August 2026

CollectU

Marketing Intern

- Developed and executed marketing strategies to strengthen brand visibility and support customer acquisition for a premium stadium collectibles company
- Compiled and interpreted customer feedback to identify gaps in the buyer experience and inform product and campaign improvements
- Advanced go-to-market initiatives supporting CollectU's university and venue partnerships across the United States

Hartford, CT

May 2026-August 2026

Tamar Ventures

Venture Capital Intern

- Conducted due diligence on 30+ early-stage startups, evaluating founding teams, market size, business models, competitive landscapes, traction, and investment fit across U.S. and European markets
- Accelerated deal flow and Venture Studio as a Service (VSaaS) commercialization through outreach to universities, accelerators, and founders, as well as co-investor research
- Mapped market and sector landscapes to identify emerging investment themes, competitive dynamics, and high-potential startups for the firm's deal pipeline

San Francisco, CA

January 2026-April 2026

LEADERSHIP AND PROJECTS

Economics and Finance Content, TikTok and Instagram

Content Creator

- Produce short-form educational videos on personal finance and economics with 5,000+ cumulative views
- Track audience analytics to refine content and simplify complex financial concepts for students

2021-Present

Portfolio Manager, 14-Week Multi-Asset Portfolio Simulation

Investments Course, Northeastern University

- Built and actively managed a \$100,000 paper trading portfolio across equities, commodities, forex, futures, and options, applying fundamental, technical, and macro-driven strategies
- Scaled portfolio value to over \$2.6 billion at its peak through leveraged and volatility-based positioning, finishing first in the course despite a \$100M-to-\$56M drawdown that reinforced disciplined risk management
- Engineered a Claude-powered trading bot integrated with Alpaca that executed rule-based strategies and generated over \$1.5 million in gains over a two-week span

Oakland, CA

January 2026-April 2026

Community Service Club, Northeastern University

Leadership Team

- Organized volunteer initiatives in partnership with local nonprofits
- Motivated student teams, improved event planning processes, and cultivated civic engagement on campus

Oakland, CA

September 2025-April 2026

Oakland Community Mural Project

Research Assistant

- Examined community engagement through public art installations using qualitative research methods
- Synthesized insights to inform recommendations on art-driven social cohesion initiatives

Oakland, CA

September 2025-December 2025
