EXPERIENCE & PROJECTS

Investment Intern — Band of Angels | San Francisco, CA

May 2026 – Aug 2026

- Evaluated early-stage startup submissions as part of Band of Angels' deal screening process, assessing team strength, market opportunity, and competitive positioning.
- Conducted due diligence research on prospective portfolio companies, synthesizing market and competitive data to support investment decisions by 150+ angel investors.
- Produced market and industry research to help members evaluate startup viability across sectors including fintech, SaaS, and deep tech.

Marketing Intern — CollectU | Hartford, CT

May 2026 – Aug 2026

- Developing and executing marketing strategies to strengthen brand visibility and support customer acquisition for a premium stadium collectibles company.
- Gathering and synthesizing customer feedback to identify gaps in the buyer experience and inform product and campaign improvements.
- Contributing to go-to-market initiatives that support CollectU's university and venue partnerships across the U.S.

Venture Capital Intern — Tamar Ventures | San Francisco, CA

Jan 2026 – Apr 2026

- Conducted market research, ecosystem mapping, and competitive analysis to identify high-potential startups, accelerators, and sourcing partners across the U.S. and Europe.
- Supported deal flow and Venture Studio as a Service (VSaaS) commercialization, building CRM pipelines, coordinating outreach to universities, accelerators, and founders, and assisting in co-investor research.
- Strengthened founder and ecosystem relationships, contributing to thought-leadership content, brand visibility, and community engagement that expanded Tamar's network and early-stage pipeline.

Startup Lead — Tally | Innovation Course, Northeastern, Oakland, CA

Fall 2025

- Spearheading design, development, and implementation of a roommate-landlord expense automation platform.
- Leading a cross-functional team to drive product strategy, workflow optimization, and MVP testing.

Startup Lead — Scholarships Project | Design Thinking Course, Northeastern, Oakland, CA

Fall 2025

- Directing the creation of an app that streamlines access to verified local scholarships.
- Driving UI/UX design, user research, and market outreach to maximize engagement and impact.

Entrepreneur — Snow Shoveling Business | South Windsor, CT

Dec 2020 – Mar 2024

- Founded and scaled neighborhood snow-removal venture providing reliable services to 15+ clients.
- Executed marketing campaigns via social media and local outreach, increasing client retention by 40%.
- Delivered high-quality service and generated over \$1,200 in seasonal revenue.

LEADERSHIP & VOLUNTEER

Research Assistant — Oakland Community Mural Project | Oakland, CA

Sept 2025–Present

- Conducting qualitative research on community engagement through public art installations.
- Coordinating logistics and event marketing for a community panel featuring local artists and leaders.
- Synthesizing insights to inform recommendations on art-driven social cohesion initiatives.

Content Creator — Economics & Finance | TikTok • Instagram

2021 – Present

- Produced short-form educational videos on personal finance and economics with 5K+ cumulative views.
- Utilized audience analytics and creative storytelling to simplify complex financial concepts for students.

Leadership Team — Community Service Club | Northeastern University

Sep 2025 – Present

- Organizing high-impact volunteer initiatives in partnership with local nonprofits.
- Motivating student teams, optimizing event planning, and cultivating civic engagement on campus.
